## Purchase Request Form <sup>[1]</sup>

Are we missing something? Library users play a very important role in our collection development process. Let us know if there is a specific title and/or subject that you are unable to locate in our [library's catalog](#) <sup>[2]</sup>. If we are unable to obtain the items you suggest, or if we decide that the items do not meet the Library's needs, you may wish to borrow through [Interlibrary Loan](#). <sup>[3]</sup> We generally will not purchase items that are more than 2 years old, that are available only as mass market paperbacks, or that cannot be obtained through normal library book vendors. Also, please be aware that new titles by popular authors may be announced well in advance but we cannot order them until immediately before publication.
